Shropshire based, Helen Leathers and Hertfordshire based Diane Campkin have released their debut publication through specialist publishers, Spreading The Magic. The book has been created through Helen and Diane’s years of friendship and working in the same field of psychic and spiritual development. It is aimed at frequently asked questions regarding spirituality and paranormal phenomena, this book provides honest down-to-earth answers to the reader.

Helen & Diane both see, sense and communicate with the Spirit world. They have worked together in a psychic development and teaching capacity for a number of years undertaking card and psychic readings, ‘rescue work’ and unofficial ‘spiritual coaching’ for those seeking their path in life. Both are Reiki Masters and run courses and workshops in a variety of disciplines from healing to spirit communication.

Helen said, “With growing interest and increasing media coverage of paranormal encounters we feel that our experiences could help others who have no one else to talk to about such matters. Questions such as ‘What’s it like to see a ghost?’ and ‘How do I find my soul mate?’ are amongst the 101 questions in this book which explores spiritual and psychic development and philosophy as well as basics like meditation. We are quite open that we cannot give definitive answers but encourage open-mindedness and tolerance for the beliefs of others.”

Amongst Helen’s other business involvements, she runs Titanium Design together with her husband, John, a competent and experienced Graphic Designer. They achieved Runner Up in the 2006 Shropshire Star Awards for Small Company of the year and handle some large national accounts providing concepts, branding, website design and all aspects of graphic design. Naturally, Titanium Design created the cover artwork for ‘Help! I Think I Might Be Psychic’.

Helen’s vitality and enthusiasm is evident in her drive to make her book a success, it is now available on a number of Internet sites including Amazon. The second book is already under way.
